

Greetings from The Club at Kingsmill,

The Kingsmill Professional Staff is gearing up for the 2024 season and enrollment for junior golf camps is right around the corner. We are excited to introduce the game to new golfers as well as improve the abilities of those we have seen in past years.

This summer our camp capacities will be twenty juniors per camp and we will be offering a beginner camp (Green Camp). Each camp will be three days, Monday through Wednesday, 8am – 12pm and conclude with lunch at 12:15pm on the final day of each camp. Green camp dates are as follows:

- *June 17-19*
- *July 1-3*
- *July 15-17*
- *July 29-31*
- *August 12-14*

Each camp will consist of 3 instructors teaching the fundamentals of putting, chipping, pitching, sand play, and the full swing. We will also educate campers on the importance of rules, etiquette, and sportsmanship.

This will be a fun, exciting learning environment that your child will remember for the rest of their life. Please use the attached entry form to sign up for a 2024 Summer Junior Golf Camp or stop by the golf shop to pick up an enrollment form.

Sincerely,

**John Todd Gantt, PGA**
